

DISCOVERY ACADEMY NEWS

CHILDREN IN NEED FUNDRAISING DAY

Thank you to all that took part this year. There were some brilliant outfits worn by the children and our staff!

Even some of our children who were at home emailed or tweeted us their pictures which was lovely to see.

It was a great day and the children enjoyed making their copper Pudsey bear masterpieces. We will let you know the final copper count soon. In the meantime we raised an amazing.....

THANK YOU

CHILD OF THE WEEK – Friday 20th November

Each week the teachers celebrate the achievements of all children but give special recognition to some children to receive the Child of the Week award.

Nursery	Nicholas	For designing a fantastic 3D Elmer the elephant. He selected his own materials and worked independently. Nicholas you are improving.
	Florence R	For inspiring us with her super drawings and innovating the story 'Elmer'.
Reception	Darcey	For achieving: Darcey wrote some super sentences this week.
	Felicity	For caring: Felicity helped one of her classmates to fasten his coat.
Year 1	Maisie F	For Achieving: Maisie has really enjoyed learning about animals in our science topic so far this half term. She has been really focused and is confident when talking about the classification of animals. She can even talk about what characteristics birds, mammals and fish have.
	Isobel	For Improving: Isobel has been working really hard in her maths this week. She has been focused during carpet time and has been able to complete her work and have a go at our deep diver tasks. Well done Isobel and keep it up!
Year 2	ALL OF YEAR 2	For Discovering, Inspiring, Caring, Improving and Achieving: During our bubble closure, the whole of Year 2 has inspired me with their perseverance with discovering new things, caring for others on our blog, improved their knowledge (and mine) and I can't put into words the number of things they have achieved! They are amazing and I am proud to be their teacher!
Year 3	Bobby P	For Improving: Bobby has really impressed us with his attitude to learning this week. He has worked hard in English and really focused when independently writing a story.
	Ruby	For Improving: Ruby has been working hard in maths to explain how she knows the answer to a question rather than just completing the calculations.
Year 4	Charlie L	For Improving: This week, you have really improved your attitude towards learning. We have seen how you have taken pride in your work and are trying your best to achieve in each subject.

WELLBEING STARS – Friday 20th November

Each week we work on developing skills regarding mental health and wellbeing with the children. This certificate celebrates those who have shown a great understanding in this week's focus for their class.

Nursery	Lainey	For being able to say why she is special. Lainey used a big voice and said "I am a kind and caring friend to Lottie".
Reception	Ava-Rae	Ava-Rae showed us all what it means to be a good friend.
Year 1	Nieve	Nieve is such a caring and considerate member of Year 1. She is welcoming and polite to her class mates and is always willing to help cheer up a friend when they are down.
Year 2	ALL OF YEAR 2	Awarded to All of Year 2! Throughout our bubble closure saying kind things to Mrs Collins, Miss Goodson, their classmates and Miss Macleod. But most importantly being and knowing how to be kind to themselves! #Anti-Bullying-Week
Year 3	Kobi	For showing our school value of caring. Kobi is a polite, caring child who really looks after his friends.
Year 4	Charlie C	You spoke to an adult when you were feeling down. You were then able to talk clearly about how you were feeling and came up with a plan for how to make yourself feel better.
