The school will do its best to:

- Provide an environment which has been risk assessed in response to the COVID-19 infection.
- Adhere to the social distancing rules as set out by the government as much as we reasonably can.
- Provide a curriculum that meets the needs of your child's well-being, mental health and academic needs.
- Contact parents/carers if your child displays symptoms of COVID-19.
- Inform you if staff or children in your child's 'bubble' show symptoms of COVID-19 as this will mean you will all need to self-isolate for at least 14 days or until the test comes back negative.
- Continue our clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy as well the expectations outlines in this agreement.
- Communicate between home and school through notices, newsletters, text, email and the school website.

To help my child at school, I know and understand that:

- If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school, we will self-isolate for 10 days as a family, I will get them tested and I will let the school know as soon as possible via telephone.
- If my child, or another child in the group, shows symptoms of COVID-19 at school, I will collect my child from school immediately.
- When dropping my child off and picking them up, I will adhere to the 2 metre social distancing rules, observing the routes marked out around the school site.
- When on school premises I will wear a face covering or inform the school if I am exempt.
- I will not approach staff on site and breach the 2-meter distance rule.
- When dropping off and picking up, I will strictly stick to the school timings for my child.
- I will attend school to pick up and drop off my child on my own to reduce footfall on the school premises. This includes not bringing older siblings on site unless discussed prior with school leadership team.
- My child must not bring any items into school with them except their reading book or/and homework.
- My child may have their temperature taken on arrival and during the day if they feel or present as being unwell.
- I will need to remind my child about social distancing rules but accept they are difficult to follow and that my child may not always do this successfully.
- My child will need to use good respiratory and hand hygiene.
- I will not be allowed into the school without a pre- arranged appointment - make appointments via email.
- I need to support all staff in their efforts to create an 'as safe as possible' environment during this crisis.
- I will read all letters/messages/emails that are sent home.
- I will support the decisions made by the school leadership team to reduce the risk to the whole school and will not be confrontational if decisions I make are questioned or challenged.
- I need to inform the school immediately of any changes to parents/carers and emergency contacts details.
- If my child is deemed unsafe due to behaviour, he/she will be sent home and cannot return to school until they can be safe.
- I will wash my child's clothes every day after school and my child will attend with a freshly washed uniform.

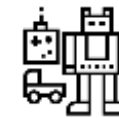

I will do my best to:

Keep my distance from other children.

Tell an adult if I feel unwell.

Not bring things into school from home, or take things home from school.

Only use the equipment provided to me by school and no other.

Walk sensibly with my grown-up to and from school.

Cough and sneeze into elbow or tissue.

Wash my hands for 20 seconds.

Behave well at all times to maintain the safety of myself and others.
