Each week the teachers celebrate the achievements of all children but give special recognition to some children to receive the Child of the Week award.

Nursery	Mmachi	For discovering: Mmachi is really good at problem solving and found a solution during our circle time, Mmachi found a good solution for Supertato and Evil pea to become friends.
	Oliver	For improving: Oliver has really impressed us in phonics. He has been working hard to remember the phonemes and apply this in his writing.
Reception	Toby	For discovering: Toby was really creative in his Little Red Hen design this week.
	Darcey	For achieving: Darcey completed all the rhyming challenges independently and even wrote some extra rhyming words.
Year 1	Alexander	For Achieving: Alexander has returned to school with a can do attitude and has welcomed some of the challenges we have set. We were especially impressed with his knowledge of materials in science. He told the class that materials can come in different states, he then explained by using water as an example. Great stuff Alexander, keep up the great work!
	Ava-Ann	For Achieving - Improving: Ava-Ann has obviously worked hard over the Easter break and has come back determined and focused. She completed some sentences in English that had adjectives, letters were formed correctly and Ava is beginning to show that she can do this independently. Keep it up!
Year 2	Dylan	For Inspiring: Dylan has contributed lots to class discussions this week with synonyms that have been 'out of this world'! He has then written some fabulous plot points with his amazing vocabulary. Well done Dylan!
	Leighton	For Discovering, Inspiring, Achieving, Caring and Improving: Every minute of the day he shows every single one of our values in everything he does! He is a SUPERSTAR!
Year 3	Tristan	For Caring: Tristan has been showing our school value of caring by picking up litter from the playground and grass verge. He took this upon himself independently.
	Lewis	For Inspiring: Lewis has returned to school full of confidence, with a fantastic attitude to learning and has made real improvements to his handwriting.
