CHILD OF THE WEEK – Friday 21st May 2021

Each week the teachers celebrate the achievements of all children but give special recognition to some children to receive the Child of the Week award.

Nursery	Cobe	For inspiring: Cobe made a fantastic castle in the design and make. Cobe selected his own materials and assembled them independently.
	Sophie	For achieving: Sophie did some fantastic counting in maths and was able to tell us the value of each coin in the Giant's purse.
Reception	Lincoln	For improving: Lincoln has worked hard on his phonics this week and applied them to his writing.
	Katie	For achieving: Katie independently wrote a super sentence about a tiger.
Year 1	Alice	For Improving: Alice has been working really hard on her spellings over the last few weeks and we have seen a massive improvement in her quiz scores, keep it up Alice and well done!
	Mia	For Improving: Mia has been working really hard in phonics this week. She has listened well and has used the sounds she has learned in her writing. Keep up the amazing work, well done!
Year 2	Alfie	For Achieving: Alfie's independence has shone through this week like a shining star! He completed his phonics activity independently for me and a maths activity for Mrs Mayers! We are super proud of him!
	Noah	For Caring: Noah has been a fantastic help not only to me but to Year 1. He helped us teach the children in both classes all about his religion. He will make a super teacher one day!
Year 3	Bobby P	For achieving: Bobby was an absolute SUPERSTAR during our pirate experience lesson. He really engaged in the drama activities and gave the sea shanty singing his all!
	Bobby H	For improving: Bobby has been working hard on different methods of multiplication and division. He has become much more confident and independent this week.
Year 4	Casey	For Improving: This week, after watching the Lava Disney short, you came up with superb vocabulary for emotions that you saw. Not only this you were then able to apply them in a sentence using alliteration. Well done Casey!

The children receive their certificates from their class teacher either in person or via email and it is shared with the whole school through our virtual online assemblies.

WELLBEING STARS – Friday 21st May 2021

Each week we work on developing skills regarding mental health and wellbeing with the children. This certificate celebrates those who have shown a great understanding in this week's focus for their class.

Nursery	Violet	Violet has been showing our school value achieving and believing in herself. We have been so happy with your positive attitude to learning in everything we have learnt this this week. Well done Violet you have been a great role model.
Reception	Georgia-Rose	For showing all of our values this week.
Year 1	Ethan	Ethan has been helping out in the community this week and is becoming something of an eco-activist. On his way to school Ethan has been making sure our community looks spick and span by doing some litter picking on his way to school. Great work!
Year 2	Ebony	For: having a growth mind-set. This week Ebony has shown how thinking positively can impact how we feel about something. I am really proud of how she has turned this week around 😊
Year 3	Logan	Logan has been really kind, patient and helpful to numerous people in our class this week.
Year 4	Tyler	This week, when one of your classmates got hurt playing football, you stopped the game immediately by picking up the ball. You then went to check to see if they were okay and let a teacher know what had happened. This was lovely to see Tyler.

The children receive their certificates from their class teacher and it is shared with the whole school through our virtual online assemblies.
