CHILD OF THE WEEK – Friday 18th June 2021

Each week the teachers celebrate the achievements of all children but give special recognition to some children to receive the Child of the Week award.

Nursery	Noah	For Improving: Noah has been working very hard in phonics and applying what he has learnt in his independent writing.
	Evie	For Inspiring: Evie was able to keep up with the super dance moves in PE and moved very creatively in time with the music.
Reception	Isla	For improving: Isla has showed a great amount of progress in her segmenting skills this week and has grown in confidence. She has been the first one with her hand up to show us.
	Fabiola	For improving and achieving: Fabiola has worked very hard on her writing formation and has struggled with it at times. But with persistence, Fabiola has shown she is capable of beautiful writing and independent sentences.
Year 1	Aleyah	For Achieving: Aleyah has had a great week and it has culminated in her achieving 10 out of 10 in our spelling quiz this week. We have also been impressed with how she has used these skills in her writing.
	Stevie-Beau	For Improving: Stevie-Beau has really impressed us this week with her presentation. She has worked hard on her letter formation and by also ensuring that letters sit correctly on the line and are the correct size. This includes her capital letters and the punctuation she uses. Well done Stevie-Beau.
Year 2	Alfie	For Achieving: This week Alfie has been our class WAGOLL. Every minute of the day he has chosen the right thing to do of his own accord. He has really thought about his targets this week and how he can achieve them himself. He has just been A-M-A-Z-I-N-G!!!!
	Oskar	For Achieving: Oskar has worked so hard this week with his writing. He has got on with it independently, thought about applied his phonics and has joined up all his handwriting so it is presented beautifully!
Year 3	Ricky	For Achieving: Ricky has been writing using fantastic vocabulary this week. Our favourite has to be his simile sentence. His eyes were shimmering like the midday sun.
	Ruby	For Caring: Ruby really took her time carefully planning out a hospital for the future. She thought of great reasons for everything she designed from sanitising robots to special hospital beds.
Year 4	Zach	For Caring: This week you saw that Miss Owen was doing a job and may need some help. You stopped playing with your friends and asked her if you could help her in anyway. This is great to hear Zach - well done!

The children receive their certificates from their class teacher either in person or via email and it is shared with the whole school through our virtual online assemblies.

WELLBEING STARS – Friday 18th June 2021

Each week we work on developing skills regarding mental health and wellbeing with the children. This certificate celebrates those who have shown a great understanding in this week's focus for their class.

Nursery	Tristan	Tristan is always very thoughtful and kind to his friends. I have observed him sharing, caring and spreading positivity during his independent activities. These are great qualities to have Tristan. Well done.
Reception	Harvey	For always coming into school with a big smile, a happy attitude to learning and always being an absolute diamond.
Year 1	Chuka	Chuka is always pleasant and polite but this week we saw his tender, kind nature. Chuka was making the children happy by handing out freshly picked flowers and saying wonderful things about his friends. Wonderful behaviour!
Year 2	Hallie	For: being a mini TA to Mrs Collins by being helpful and kind.
Year 3	Bobby H	Bobby is always kind and caring, he looks after people if they are hurt and is always quick to smile and laugh with you.
Year 4	Ella D	This week, you have concentrated on your own well-being. There was a moment where you needed some space to yourself and you politely asked the teacher for it. When you were ready, you independently re-joined the lesson. Well don Ella!
