Parental Conduct – Zero Tolerance

Under Section 547 of the Education Act 1996, it is a criminal offence to enter onto school premises and cause a nuisance or disturbance thereon to the annoyance of persons who lawfully use these premises.

Aggressive or abusive behaviour

We understand that people can become angry when they feel that matters about which they feel strongly are not being dealt with as they wish. If that anger escalates into aggression towards our staff, we consider that unacceptable.

Any aggression or abuse directed towards our staff will not be tolerated.

- Aggressive or abusive behaviour includes language (whether verbal or written) that may cause staff to feel afraid, threatened or abused and may include threats, personal verbal abuse, derogatory remarks and rudeness. The use of swear words in written or verbal communication will not be tolerated and these communications will not be responded to. Swearing at members of staff will not be tolerated.
- We also consider inflammatory statements, remarks of a racial or discriminatory nature and unsubstantiated allegations, to be abusive behaviour.

How we manage abusive or aggressive behaviour:

- Any member of staff who directly experiences aggressive or abusive behaviour from a member of the public, has the authority to deal immediately with that behaviour in a manner they consider appropriate to the situation and which is in line with the Zero Tolerance policy.
- Staff will end telephone calls if they consider the caller aggressive, abusive or offensive. Our staff have the right to make this decision, to tell the caller that their behaviour is unacceptable and to end the call if the behaviour then persists.
- Staff will not answer emails that are aggressive. These will be filed and referred to the Principal.
- If behaviour persists in future correspondence, we will tell the person in writing that we will not tolerate this behaviour. We may revoke the right to contact school staff through email or telephone.
- Where required, the school will issue a 547 letter where they will be banned from entering the premises for a set period of time.
- If deemed appropriate, incidents will be reported to the police.

ZERO TOLERANCE

Swearing, threats, harassment or acts of violence will not be tolerated.

Any forms of this behaviour could result in adults being banned from the premises.

EYFS WEEK IN PICTURES

In Nursery, we read 'Here We Are' by Oliver Jeffers. We talked about the planet Earth and shared what we love about our world

Nursery have been exploring shapes in maths. We used the shapes to make a house and talked about who lives in our house.

Reception children are already showing super independent learning skills! They carried on their learning in provision, playing eye spy. Who are the teachers and who are the pupils

This week, Reception have been practicing mark making and letter formation on the board.

KS1 WEEK IN PICTURES

Year 1 used roleplay in History, to explore how Rosa Parks felt when she was arrested in 1955 for refusing to give up her bus seat to a white man.

A cheeky beast popped into Year 1 this week leaving footprints and a tuft of spotty fur in our reading area. Year 1 created super wanted posters so he could be caught!

Year 2 have had a brilliant week! In maths, the children used rekenreks to practise number bonds and deepen their understanding of place value.

In English, Year 2 planned their own imaginative stories, carefully choosing adjectives and expanded noun phrases to bring their characters and settings to life.

LKS2 WEEK IN PICTURES

In P.E. Year 3 have been thinking about how they can control a ball with the different parts of our feet to move around a space.

In Art, Year 3 experimented with charcoal to create lines and patterns of different thickness and how to create shadows by smudging.

Year 4 have been focusing on place value and working out which numbers are being represented. They used the counters to partition numbers up to 10,000.

In Science, Year 4 tasted three different foods; a slice of apple, a segment of orange and a piece of crusty bread. They then decided which teeth they were using.

UKS2 WEEK IN PICTURES

In History, Year 5 have had some great discussions about the British Empire. The images provoked lots of questions about why Britain ruled India.

Year 5 have all logged into Google Classroom and Century. We have started our computing topic on 'systems' and even found time for a typing game.

In Gymnastics, Year 6 worked in on all the skills they have explored over the years to ensure transitions are smooth, and balances are structured and carried out safely.

In Science, Year 6 started their topic, 'Light'. We had a disco with glow sticks, led candles, disco lights and a laser show to demonstrate how light travels in straight lines.

Breakfast Club, After School Club, Sports clubs and Nursery extended hours – PAYMENTS

All clubs **MUST** be paid in advance. Debt can not be accrued as we do not offer a credit agreement.

If children are not booked on to Breakfast Club or Afterschool Club in Arbor, then staff have now been instructed to refuse entry. It is the parents responsibility to book a place for your child. The admin and financial impact of not booking and not paying in advance is no longer sustainable and if parents do not follow these processes which have now been in place for a number of weeks, we will have no choice but to withdraw your permissions to use the service.

The debt and debt recovery impacts on cash flow, which in turn impacts the schools ability to manage budget and provide some additional curriculum experience and resources.
